Program Information

The Inclusion Plus Holiday Program is back and we are ready to provide some fun and exciting activities to keep everyone entertained these holidays. Our friendly support staff will ensure that your child experiences all the program has to offer, while providing high quality care and support.

The Program is available to all school aged children and operates from 9am to 3pm on weekdays from the 14th December—24th December, resuming again after Christmas from the 4th January— 22nd January 2021. Please talk to our friendly Coordination Team if you require transport or additional support outside of these hours.

We have limited placements available on the program, which will be offered in order of receipt of booking requests. In order to avoid disappointment please complete and submit your booking form at your earliest opportunity. Should availability on your requested dates be exhausted, we will record your details on our waiting list and contact you immediately should a place become available. Once we have received your booking, we may require some additional paperwork to ensure we have all the current information to best support your child. If your child requires medication to be administered during support, please contact our coordination team to ensure we have current medication requirements in our records.

What to Bring

Please ensure your child brings a hat, any medication, water bottle, enclosed footwear, comfortable clothing, GO Card, Companion Card and a spare change of clothing for water play activities. Please provide lunch for your child, unless the activity schedule specifically states that lunch will be provided.

Costs

All participants must have adequate NDIS funding or be self-funded in order to access the School Holiday Program. A Service Agreement with a Planned Schedule of Supports will be provided prior to support provision, confirming NDIS funding allocation for this service. Inclusion Plus will invoice against the total hours recorded after the program has been provided. In line with the cancellation policy detailed in your service agreement, to avoid incurring any undelivered support charges adequate notice must be provided when cancelling supports.

There are additional out of pocket costs for activity fees each day and transport costs may also apply to some activities. These fees may be able to be claimed retrospectively from your NDIS funding. In order to secure your booking, all activity fees must be paid in advance by one of the payment methods indicated on the booking form. We will require 14 days' notice prior to the commencement of the program to refund activity fees. Support cancelled after this timeframe will render any activity fees non-refundable.

Program Outcomes:

- Increase social interaction and develop social skills
- Reduce social isolation and develop new interests
- Develop friendships and increase informal support networks
- Increase emotional wellbeing and provide a sense of belonging
