...additional services to support your NDIS journey

Community Nursing Care

Whether it's administering medications, monitoring vital signs, or wound management, we can help.

High-Intensity daily personal activities

Our staff is trained to provide high-intensity support to individuals who require comprehensive assistance with their daily tasks.

Why Advanced Support Services?

As your service provider, we empower you with greater freedom of choice over your support. Our team will work closely with you to understand your goals, and also make sure that the support you receive aligns perfectly with these goals.

How to register with us

Join our growing community of participants. Become a member of the **Family** today.

Step 1

REQUEST SUPPORT

To request for disability support, please call **1800 940 538** or **07 30483906**.

You can also request support through our website. Simply follow the link:
<https://advancesupportservices.com.au/contact-us/>

Step 2

MEET and GREET

After receiving your enquiry, our team will proceed to organize a meet and greet session with you. During this meeting, we will discuss about your support and goals in detail.

This approach allows us to tailor our support services to best meet your individual needs.

Step 3

ORGANISING YOUR SUPPORT

Following the meet and greet, we will promptly organize your support. Rest assured that our team will ensure a smooth transition, and your support will commence as agreed upon in the services agreement.

We are committed to providing you with the utmost support throughout your NDIS journey.
