# ASD SPECIALIST

IMMEDIATE CAPACITY

## WHAT DOES JACQUELINE DO?

Jacqueline is our in-house ASD Specialist and all-round education superstar! Jacqueline focusses on working with families to develop individualised Support Plans for children and young adults, empowering families and Support Workers with the knowledge to make the most of their NDIS support and achieve their goals!

Jacqueline's services include observation to assess current strengths and areas of improvement, development and overseeing the implementation of an individualised Support Plan, and development of support schedules and routines.

## EDUCATION

- Masters in Autism
- Graduate Diploma of Education (Primary)
- Graduate Certificate in Disability Studies
- Bachelor of Art (Psychology)
- Certificate III and IV in Disability Work

## WHAT ARE THE BENEFITS?

**Hands-on training for your support team**

**Identification of realistic, attainable goals**

**Support for you through additional resources for your family**

**An individualised and holistic Support Plan**

**Development of support schedules and routines**

## WHAT DOES IT COST?

- Support sessions with Jacqueline are charged at \$62.17 per hour (NDIS billable). We recommend a minimum of 4 hours of support (two sessions).
- You can also elect to have 1:1 supports with Jacqueline.
