Mission Statement

At Amy Support Services, our mission is to empower people with disabilities to live their best possible lives by providing exceptional care and support that is tailored to their unique needs and goals.

Value Statement

We are committed to operating with integrity, respect, and compassion in all our interactions with clients, their families, and the wider community. Our values are centered around:

- Person-centered care: We believe that each person is unique, and we work to create individualized care plans that prioritize their needs and goals.
- Professionalism: We maintain high standards of professionalism in all aspects of our work, including communication, training, and ongoing development.
- Collaboration: We believe that the best outcomes are achieved through collaboration between clients, their families, and our team of professionals.
- Respect and dignity: We treat each person with respect and dignity, recognizing their inherent worth and value as individuals.
- Accountability: We take responsibility for our actions and outcomes, and strive to continuously improve our services to meet the evolving needs of our clients.

*We work in the best
interest of our clients*

Amy Support Services is a highly reputable NDIS provider operating in South Australia, committed to delivering exceptional support services to clients with disabilities. With a team of experienced and dedicated professionals, Amy Support Services is known for providing person-centered care that is tailored to meet the unique needs and goals of each client.

As a registered NDIS provider, Amy Support Services offers a wide range of services including personal care, community access, respite care, assistance with daily living, and support coordination. The team at Amy Support Services is committed to helping clients achieve their goals, whether that be pursuing education and employment opportunities, improving their health and wellbeing, or enhancing their social and community connections.

As a registered NDIS provider, Amy Support Services offers a wide range of services including personal care, community access, respite care, assistance with daily living, and support coordination. The team at Amy Support Services is committed to helping clients achieve their goals, whether that be pursuing education and employment opportunities, improving their health and wellbeing, or enhancing their social and community connections.

At Amy Support Services, the client is at the center of everything they do. The team takes the time to get to know each client and understand their individual needs and preferences, ensuring that they receive the highest quality care and support. With a focus on open communication and collaboration, Amy Support Services works closely with clients and their families to develop individualized care plans that are flexible and responsive to their changing needs.

Amy Support Services is dedicated to providing services that are of the highest quality, and their team of professionals are highly trained and knowledgeable in the latest best practices in disability support. With a commitment to ongoing professional development and continuous improvement, clients can trust that they are receiving the best possible care and support from Amy Support Services.

Overall, Amy Support Services is a reliable and trustworthy NDIS provider in South Australia, committed to delivering person-centered care that empowers clients to achieve their goals and live their best possible lives.
