Our Key Features

DISABILITY SUPPORT SERVICES

We provide disability support services to those who are self-managed, plan managed, NDIA managed and self-funded (private).

HOME CARE SERVICES

We also provide in-home general personal care and nursing services to clients who are self-funded (private). See also Our Services section.

We listen to what you need, how you would like us to support you and when you would like to be supported. We value & listen to your feedback.

We have NDIS and disability specialists who speak different languages. Our team is professional, dedicated, friendly and has professional integrity.

Our Mission

Pride Connect works to provide support that empowers participants and clients to exercise their choices and have control of what they want and need to enrich their lives and their loved ones. We see the person, their abilities and not the disabilities.

Our Vision

Through our empowerment and support every participant or client has pride in who they are and stay connected. They are empowered to live their lives their way. Their rights!
