

# Spend your time on the things you love

- 1 Ask us for NDIS supports or therapy
- 2 We search for verified NDIS Providers
- 3 You choose the one you like best

## NDIS Providers Verified by Us

Our Provider Team spends their day asking NDIS Providers a million questions, demanding evidence of their skills and insurances, and making sure they are NDIS successful before they are allowed to join the MyCareSpace platform.

## We find your perfect NDIS Support or Therapy match

Our NDIS navigators will confirm your needs and send you the best, local support or therapy options to choose from.

We have the largest supply of therapy providers in Australia and can connect you with therapy providers who have availability.

## Easy to Read NDIS Resources

Our easy to read resources will help you understand your NDIS plan and how to get the most from your NDIS funding.
